INDIANA UTILITY
REGULATORY COMMISSION
CAUSE NO. 42599

You are hereby notified that on this date the Indiana Utility Regulatory Commission has caused the following entry to be made:

On April 13, 2004, the Commission convened a Prehearing Conference in this Cause at which Petitioner and the Office of Utility Consumer Counselor ("OUCC") appeared. At the hearing, Petitioner's counsel informed the Presiding Officer that the name of the Petitioner as indicated in the caption for this Cause and also as indicated on page one of the Petition incorrectly omits the word "rural" from Petitioner's legal name. Petitioner's legal name is "Sullivan-Vigo Rural Water Corporation." Petitioner's counsel requested that the caption be amended to correctly reflect Petitioner's legal name.

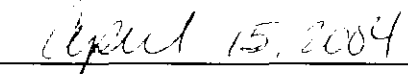

Petitioner's counsel also agreed it would be appropriate to include in the caption an indication that Petitioner intends to establish initial rates and charges for the water service it will be providing. Petitioner intends to disclose those initial rates and charges as part of Petitioner's evidence in this Cause. (Petitioner indicates in its Petition that it does not believe Commission *approval* of initial rates and charges is required. The OUCC has not yet taken a position on whether Commission approval is required.)

It is therefore ordered by the Presiding Administrative Law Judge that the caption in this matter should be amended to read as follows:

**PETITION OF THE SULLIVAN-VIGO RURAL WATER
CORPORATION FOR AUTHORITY TO ISSUE DEBT AND
TO INFORM THE COMMISSION OF THE ESTABLISH-
MENT OF INITIAL RATES AND CHARGES**

IT IS SO ORDERED.

Gregory S. Colton, Administrative Law Judge
